Sonance and iPort™ Dealers Honored by *Electronic House Magazine*

Home of the Year Award Winners are Announced

San Clemente, CA—April 2008—[Sonance](#), the leading provider of design oriented consumer electronics and sister brand, [iPort](#), makers of the first in-wall music system for iPod®, are proud to salute its dealers recognized recently by *Electronic House* magazine's 2008 Home of the Year Awards. *Electronic House* presented the awards during a luncheon at the Electronic House Expo (EHX) held in Orlando, FL.

Congratulations to the following dealers who were chosen for the most creative designs, dynamic systems, and innovative installations out of more than 400 entries:

Best Home Theater \$50,001-\$100,000 (Silver)

Innerspace Electronics, Port Chester, NY

Best Family/Media Room (Bronze)

AViX, Osterville, MA

Best Kitchen (Gold)

Frankentek, Medford, NJ

Best Master Suite (Silver)

Innerspace Electronics, Port Chester, NY

Best Fun Room (Bronze)

Innerspace Electronics, Port Chester, NY

Best "Wow" Factor (Gold)

Horner Networks, Mentor, OH

Grand Spaces (Silver)

Audio Command Systems,
Westbury, NY

Grand Spaces (Gold)

Electronics Design Group,
Piscataway, NJ

Best "Green" Home (Bronze)

Ambiance Systems, Clifton Park,
NY & Capital Construction, Ballston
Spa, NY

**DUAL WINNER: Best Home of the
Year/Best "Green" Home (Gold)**

ONteriors, San Diego, CA

These winners were among the more than 400 entries received from 175 custom home audio / video dealers and installers. Winners in three levels—gold, silver and bronze—were awarded in 14 categories and exemplified the far-reaching potential for incorporating audio, video, whole-home automation, lighting control and more into today's electronic house. Entries were judged based on the lifestyle benefits for homeowners and ease of use for the systems.

About Sonance: (www.sonance.com)

Headquartered in San Clemente, California, Sonance was founded by Scott Struthers and Geoff Spencer who introduced the world's first in-wall loudspeaker system to the consumer electronics market in 1982. With distribution in 45 countries around the world, Sonance remains at the forefront of technology by offering innovative design solutions that harmoniously blend sound with designs favored by leading custom integrators, architects, interior-design professionals, and design-conscious clients throughout the world.

About iPort: (www.iportmusic.com)

iPort, maker of the first in-wall music system for iPod, provides freedom from the constraints of headphones. iPort makes it possible to easily share music and photos through any home stereo or entertainment system. Using innovative technology and unique design iPort is committed to producing products that are stylish, inventive, and as simple to use as the iPod.
