Sonance & iPort Dealers Among CEDIA Electronic Lifestyles® Award Winners

San Clemente, CA—November 2009—Sonance would like to extend sincere thanks and congratulations to its dealers who were chosen to receive one of the most prestigious awards in the consumer electronic industry—the CEDIA Electronic Lifestyles Award.

The CEDIA Electronic Lifestyles Awards were created to annually recognize member companies that exemplify outstanding integration of systems and meet their clients' home technology needs. Entries are scored and evaluated on technical merit and design/aesthetics by members of the American Institute of architects (AIA), American Society of Interior Designers (ASD), and CEDIA.

Headquartered in San Clemente, California, Sonance was founded by Scott Struthers and Geoff Spencer who introduced the world's first in-wall loudspeaker system to the consumer-electronics market in 1982. With distribution in over 70 countries, Sonance remains at the forefront of technology by offering innovative design solutions that harmoniously blend sound with designs favored by leading custom integrators, architects, interior-design professionals, and design-conscious clients throughout the world.

About [CEDIA](#)

CEDIA is an international trade association of companies that specialize in designing and installing electronic systems for the home. The association was founded in September 1989 and has more than 3,500 member companies worldwide. CEDIA Members are established and insured businesses with bona fide qualifications and experience in this specialized field. CEDIA members include residential electronic systems contractors who have emerged as the "fourth contractor" in the building and remodeling industries alongside electrical, plumbing, and HVAC professionals. For more information on CEDIA, visit the association's website at www.cedia.org.
