Sonance Dealers Win CEDIA Electronic Lifestyles® Designer Awards!

San Clemente, CA—September 19, 2008—Sonance would like to extend sincere congratulations to all Sonance dealers who received a CEDIA Electronic Lifestyles Designer Award. Each year, CEDIA recognizes excellence in the residential electronic systems industry. Manufacturers, residential electronic systems contractors, and CEDIA volunteers were recognized for their achievements over the past year at the CEDIA banquet held at the recent EXPO in Denver, CO.

Electronic Systems Contractor of the Year

In addition to the dealers who were recognized for their achievements, Sonance also received Best Product of the Year for the innovative Visual Performance Series and the company's original residential in-wall Sonance 1 loudspeaker was inducted into the CEDIA Product Hall of Fame as the first in-wall speaker.

About [Sonance](#)

Headquartered in San Clemente, California, Sonance was founded by Scott Struthers and Geoff Spencer who introduced the world's first in-wall loudspeaker system to the consumer-electronics market in 1982. With distribution in 45 countries, Sonance remains at the forefront of technology by offering innovative design solutions that harmoniously blend sound with designs favored by leading custom integrators, architects, interior-design professionals, and design-conscious clients throughout the world.

About [CEDIA](#)

CEDIA is an international trade association of companies that specialize in designing and installing electronic systems for the home. The association was founded in September 1989 and has more than 3,500 member companies worldwide. CEDIA Members are established and insured businesses with bona fide qualifications and experience in this specialized field. For more information on CEDIA, visit the association's website at www.cedia.org.
